INTRODUCTION

We offer top-notch sanitation services to our clients and ensuring they live in a clean and healthy environment.

Operating for over three decades

Experienced, trained, and vetted personnel

Updated technology following the trends

Ahmed Almazrouei Services L.L.C (AAS) is a subsidiary of the Ahmed Almazrouei Group (AAG) L.L.C providing professional cleaning services based in Dubai, UAE. For over three decades of service, our team of experts is made up of the best talents in the industry. We ensure this by conducting thorough vetting on the personnel we recruit. This approach has seen us form a formidable team that has enabled us to maintain the superior quality cleaning services, earning us respect, credit, and the strong reputation that we enjoy today. Our business model encourages learning and innovation, we stay in touch with the needs of different clients and update our cleaning technology according to the current trends in the industry.

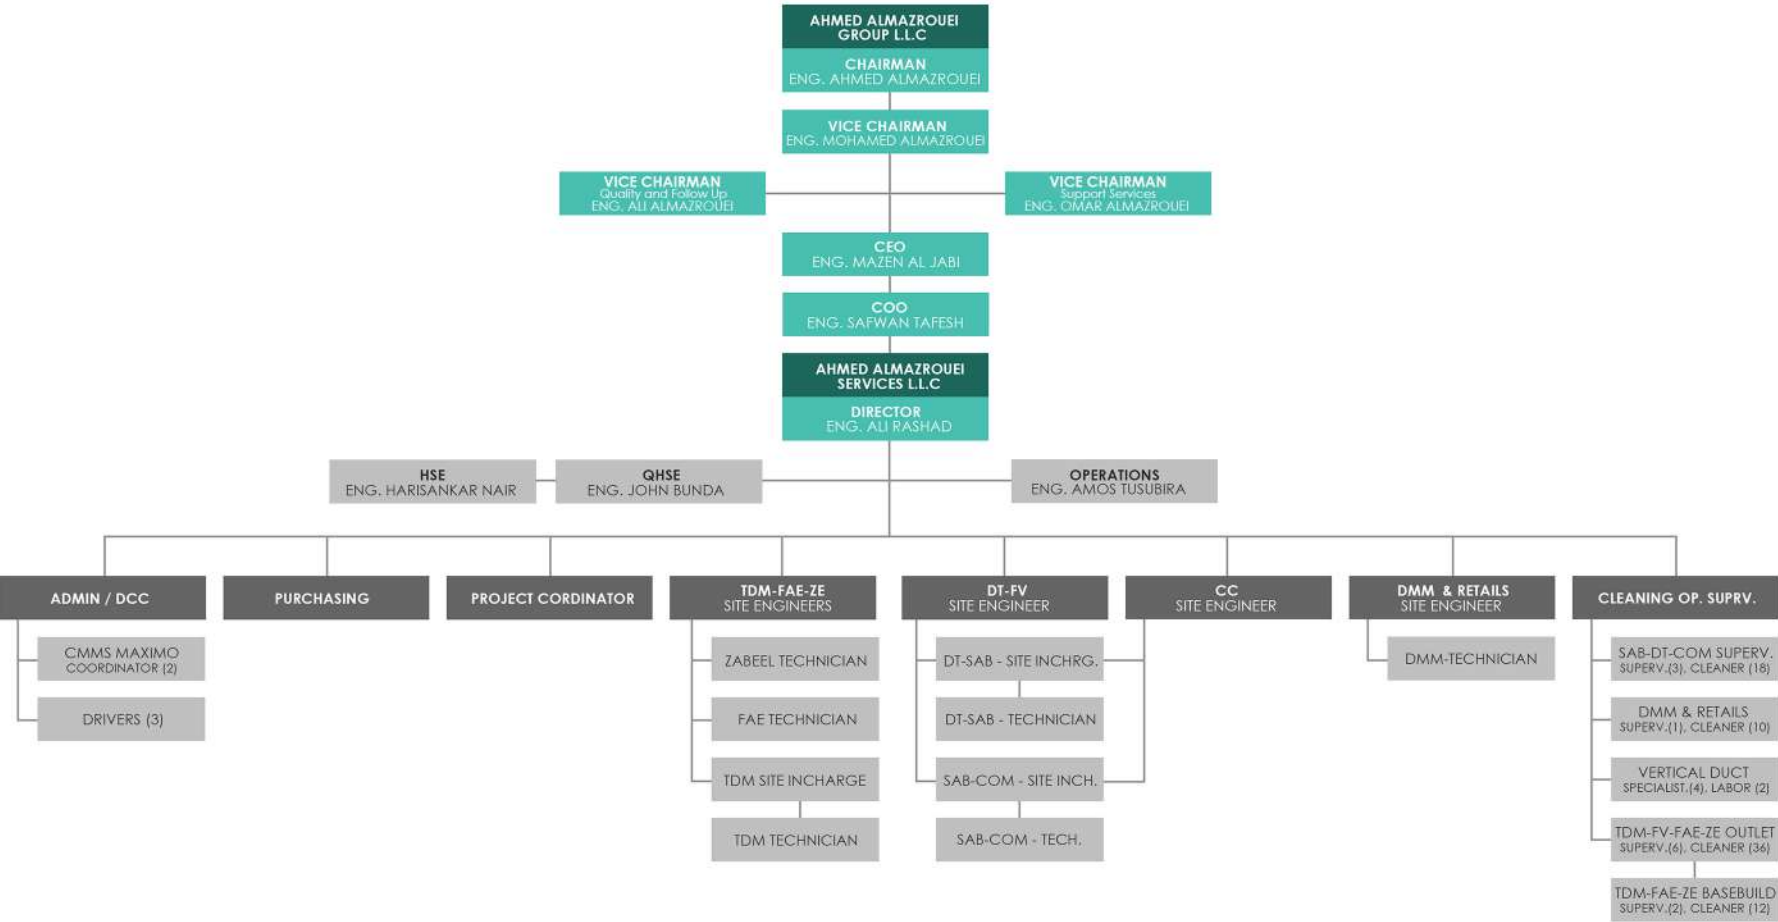

AAG is committed to building long term relationships based on integrity, performance, value & client satisfaction.

Engr. Ahmed Almazrouei
Chairman

ORGANIZATION STRUCTURE

VISION

To become renowned for providing unparalleled customer service experiences that set us apart from our competitors and foster long-lasting relationships with our clients. We aim to go beyond our customers' expectations, delighting them with every interaction.

MISSION

To serve our customers with excellence, dedication, and unwavering commitment. We are here to make a positive impact on the lives of our customers by delivering exceptional services.

OUR VALUES

Our values drive us forward as an organization and bind us together as a community. AAS has maintained its integrity and reputation by incorporating our values in:

ETHICS

We have a steadfast adherence to a strict moral and ethical code, a firm commitment to the standards is deeply ingrained in every conduct and business action undertaken by all employees.

INNOVATION

We thrive on creativity and ingenuity. We are convinced that there are often better ways to do things. We seek to innovate in the services we deliver, our business development, and our operations.

CLIENT FOCUS

We recognize that our success is based on our strong relationships with our clients and we strive to provide feasible, innovation, and sustainable solutions which exceed our client's expectations.

We achieve excellence, integrity, and reliability through diverse, innovative, and professional teams to provide our services.

EXCELLENCE

We constantly strive for excellence, recognizing that excellence is defined by our clients. We apply state of the art technologies and seek innovative ways to ensure high level of quality of cleaning services.

DIVERSITY

We are committed to diversity. The richness of our relationships and the success of our pursuits, are influenced by the extent to which we respect, listen and appreciate one another.

TEAM WORK

We ensure to add great value to clients. We provide the best people and bring them together in teams to deliver our services. Our teams are diverse in their disciplines, ideas, perspectives, and cultures.

”

Our services are driven by a simple philosophy - To minimize health risks posed by poor quality services and maintenance. With us, you can ensure that your system will run to its maximum efficiency.

SERVICES

01 - KITCHEN EXHAUST SYSTEM INSPECTION

Our experienced team of inspectors has the ability to identify the components of the commercial kitchen exhaust system and note any system deficiencies that are critical to fire safety, health and the comfort of working in kitchens.

02 - KITCHEN EXHAUST CLEANING AND MAINTENANCE

We are experts in the cleaning and maintenance of kitchen exhaust to ensure it can't be exposed to health and fire risks. We offer de-greasing and exhaust cleaning services for commercial and industrial customers.

03 - SUPPLY, INSTALLATION OF ECOLOGY FILTERS AND PARTS

We supply and install ecology filters that removes commercial kitchen gases using a multistage filtration system to filter particles and gases, and commercial buildings get the protection they need no matter what the building design.

04 - HVAC CLEANING AND DISINFECTION

We clean your Heating, Ventilation, and Air Conditioning system meticulously to ensure you breathe the best quality air and shield you from contracting infections.

05 - WATER TANK CLEANING AND DISINFECTION

We specialize in cleaning and disinfecting all types of water tanks, plastic tanks, fibreglass tanks, metallic tanks and concrete tanks.

06 - GREASE TRAP CLEANING, DOSING, AND DISPOSAL

Regular and detailed cleaning, dosing, and disposal of your grease trap is essential in preventing discomforts resulting from grease blocked drainages, stench, and uncontrolled pest infestation.

07 - DISINFECTION AND STERILIZATION

We offer these services in UAE using high quality technology and products, and pour our souls into the work so that we can turn your home into a quiet and safer retreat and free from particles that can affect your health negatively.

08 - KITCHEN WASTE AND DRAIN LINE JETTING

From restaurants to commercial premises, we have the expertise to provide kitchen and drain jetting services for all types and sizes of commercial kitchen, ensuring that there are no costly piping mishaps that could interfere with the running of your business.

PROJECTS
